Program Admission Requirements for Class A Certification in Chemistry Education

In addition to meeting the requirements for admission to the Graduate School, a candidate must meet requirements for unconditional admission to the Chemistry Education Program. To be eligible for unconditional admission to this Class A certification program, a candidate must hold a valid Alabama bachelor's level professional educator certificate in Chemistry Education.

Please Note: If an individual is unconditionally admitted to this Class A program based on a valid bachelor's level professional educator certification from another state, this individual must hold valid Alabama Class B certification in Chemistry Education *before* completing this Class A program in Chemistry Education and subsequently applying for Alabama certification at the Class A level in Chemistry Education.

ALSDE Requirements for Class A Certification in Chemistry Education

Prospective students should NOT begin any coursework without first seeking advisement from the Department of Curriculum and Instruction (call 205-934-5371). Students who ignore this admonition assume responsibility for their own mistakes.

Once a candidate has completed checklist requirements and has met all admission, exit, and certification requirements, the candidate will be eligible for Class A certification in Chemistry Education. To be eligible for this certification, the candidate must:

- submit a completed application for certification during the last term of enrollment in the Class A Chemistry Education Program (and no more than 60 calendar months following completion of the degree program);
- successfully complete all courses on the Class A program checklist, meet the criteria of UAB's Graduate School for completing the corresponding degree program, and, as of July, 1, 2017, earn a minimum GPA of 3.25 for all courses on this Class A checklist;
- possess a Class B Professional Certificate in the Chemistry Education Program; and
- meet all requirements for the Alabama Educator Certification Assessment Program (AECAP).
