*An individual who completes this program must submit application for Alabama certification within 60 calendar months upon completion of this program.

Program Admission Requirements for Class A Certification in Elementary Education

In addition to meeting the requirements for admission to the Graduate School, a candidate must meet requirements for unconditional admission to the Elementary Education Program. To be eligible for unconditional admission to this program, a candidate must hold a **valid** Alabama bachelor's level professional educator certificate in Elementary Education.

Please Note: If an individual is unconditionally admitted to this Class A program based on a valid bachelor's level professional educator certification from another state completes this Class A program in Elementary Education and subsequently applies for Alabama certification at the Class A level in Elementary Education, then the individual must hold valid Alabama Class B certification in Elementary Education *before* applying for Class A certification.

ALSDE Requirements for Class A Certification in Elementary Education

Once a candidate has completed checklist requirements and has met all admission, exit, and certification requirements, the candidate will be eligible for Class A certification in Elementary Education. To be eligible for this certification, the candidate must:

- submit a completed application for certification during the last term of enrollment in the Class A Elementary Education Program*;
- complete the Class A program with a minimum GPA of 3.25 on all courses on this checklist;
- achieve a passing score on a comprehensive assessment documenting mastery of the curriculum;
- possess a Class B Professional Certificate in the Elementary Education Program; and
- meet all requirements for the Alabama Prospective Teacher Testing Program (APTTP).
