Program Admission Requirements for Class A Certification in French and English to Speakers of Other Languages

In addition to meeting the requirements for admission to the Graduate School, a candidate must meet requirements for unconditional admission to the Dual Certification (French and English to Speakers of Other Languages) Program. To be eligible for unconditional admission to this program, a candidate must hold a **valid** Alabama bachelor's level professional educator certificate in French.

Please Note: If an individual is unconditionally admitted to this Class A program based on a valid bachelor's level professional educator certification from another state, then the individual must hold valid Alabama Class B certification in French **before** completing this Class A dual certification program (French and English to Speakers of Other Languages) and subsequently applying for Alabama certification at the Class A level in French and English to Speakers of Other Languages Education.

ALSDE Requirements for Class A Certification in French and in English to Speakers of Other Languages Education

Prospective students should NOT begin any coursework without first seeking advisement from the Department of Curriculum and Instruction (call 205-934-5371). Students who ignore this admonition assume responsibility for their own mistakes.

Once a candidate has completed checklist requirements and has met all admission, exit, and certification requirements, the candidate will be eligible for Class A certification in both French and English to Speakers of Other Languages. To be eligible for both of these certifications, the candidate must:

- possess an Alabama Class B Professional Certificate in French;
- obtain a passing score on the Praxis subject test in English to Speakers of Other Languages (ESOL);
- submit a completed application for certification during the last term of enrollment in the Class A French Education program and in the Class A English to Speakers of Other Languages Education Program (and no later than 60 calendar months upon completion of this degree program);
- successfully complete all courses on the Class A program checklist, meet the criteria of UAB's Graduate School for completing the corresponding degree program and earn a minimum GPA of 3.25 for all courses on this Class A checklist; and
- meet all other requirements for the Alabama Educator Certification Assessment Program (AECAP).
