

# The EPA Audit

## Are You Ready?

---

March 30 through  
April 3, 2009

UAB is scheduled for our first environmental audit that includes laboratories, the Hospital, maintenance areas, art departments, construction areas, food service, pools, regulated waste...

**Any area that generates waste!**

Anyone could be asked questions and to produce training records and other documentation related to the EPA audit.

Visit [www.healthsafe.uab.edu](http://www.healthsafe.uab.edu) for a Compliance Toolkit  
or call 934-2487 for more information
