Share Trimmed Video URL
Share Playlist URL

Enable NBC Learn in Course (Instructor Only)

1. Login to Canvas, click Courses (A) on the Global Navigation pane on the left and choose desired course.
2. Click Settings (B) on the bottom of the course navigation and click the Navigation (C) Tab at the top.
3. Click the 3 dots beside My Media (D) and click + Enable (E).
4. Navigation items can be dragged and dropped into desired order. Click Save (F) when finished.
Embed in Canvas

NBC Learn videos can be embedded anywhere the rich text editor is available in Canvas.

1. Access the rich text editor available in Canvas pages, assignments, discussions, quizzes, and announcements.
2. Place the insertion point (A) in the desired location by clicking in the text box.
3. Click on the NBC Peacock (B) icon.

4. Search (C) and Select a Video (D) to embed.

5. Click Embed (E) under the video player. This will return you to canvas and embed the selected video.

6. Click Save (F).
Share Video URL

Users can share videos using a Share URL. NOTE: This URL will require users to authenticate with BlazerID and strong password before being able to view the video.

2. Search (A) and Select (B) a Video to share.
