## Enable NBC Learn in Course (Instructor Only)

1. Login to Canvas, click **Courses** (A) on the Global Navigation pane on the left and choose desired course.
2. Click **Settings** (B) on the bottom of the course navigation and click the Navigation (C) Tab at the top.
3. Click the 3 dots beside **My Media** (D) and click **+ Enable** (E).
4. Navigation items can be dragged and dropped into desired order. Click **Save** (F) when finished.
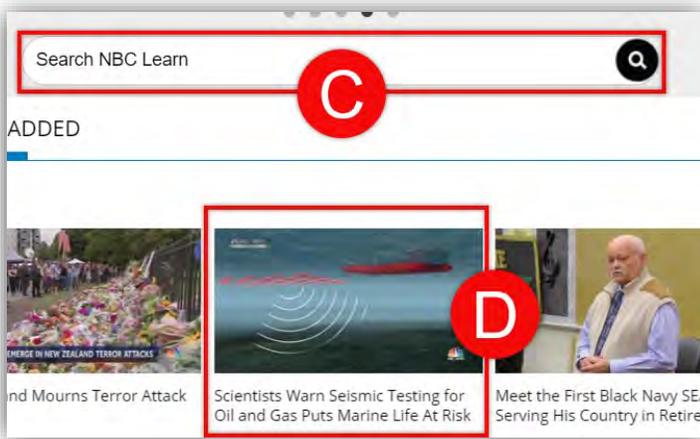

Embed in Canvas

NBC Learn videos can be embedded anywhere the rich text editor is available in Canvas.

1. Access the rich text editor available in Canvas pages, assignments, discussions, quizzes, and announcements.
2. Place the **insertion point** (A) in the desired location by clicking in the text box.
3. Click on the **NBC Peacock** (B) icon.

4. **Search** (C) and **Select a Video** (D) to embed.

5. Click **Embed** (E) under the video player. This will return you to canvas and embed the selected video.

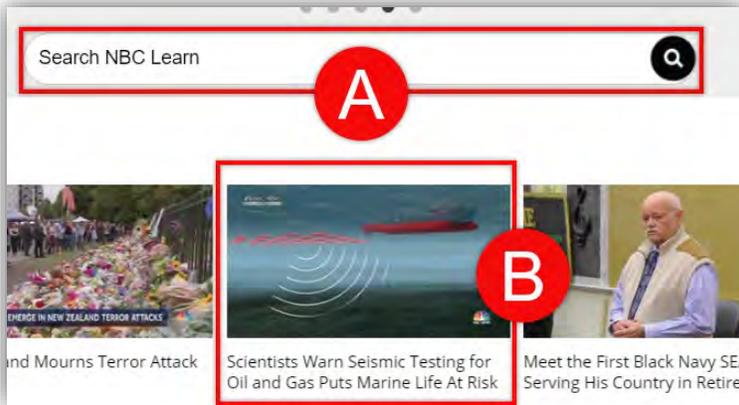

6. Click **Save** (F).

Share Video URL

Users can share videos using a Share URL. <mark>NOTE: This URL will require users to authenticate with BlazerID and strong password before being able to view the video.</mark>
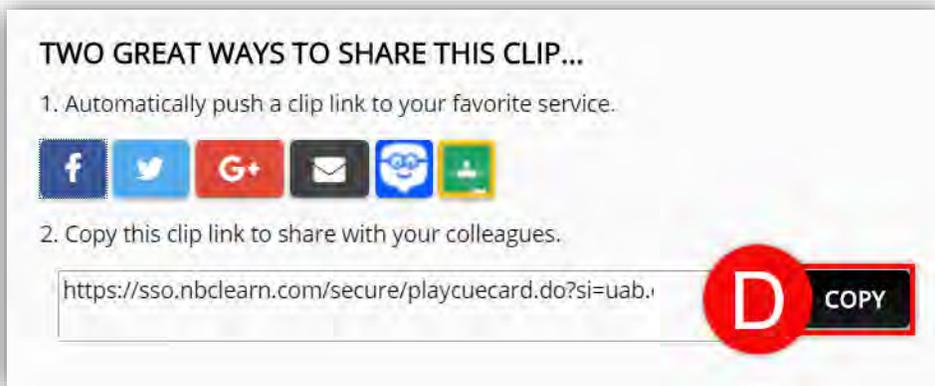

1. Navigate to https://sso.nbclearn.com/Shibboleth.sso/uab.edu.
2. **Search** (A) and **Select** (B) a Video to share.

3. Click **Share** (C) under the video player.

4. Click one of the service icons or click **Copy** (D) to copy the URL to your clipboard.

5. Paste the URL in desired location.

Share Trimmed Video URL

Users can trim a video to start and stop at desired times and share the video using a Share URL. <mark>NOTE: This URL will require users to authenticate with BlazerID and strong password before being able to view the video.</mark>

1. Navigate to https://sso.nbclearn.com/Shibboleth.sso/uab.edu.
2. **Search** (A) and **Select** (B) a Video to share.

3. Click **Clip Video** (C) under the video player.
4. Drag the **Start** (D) handlebar to desire location. Repeat for **End** (E) handlebar.
5. Click **Share** (F)

6. Click one of the service icons or click **Copy** (G) to copy the URL to your clipboard.

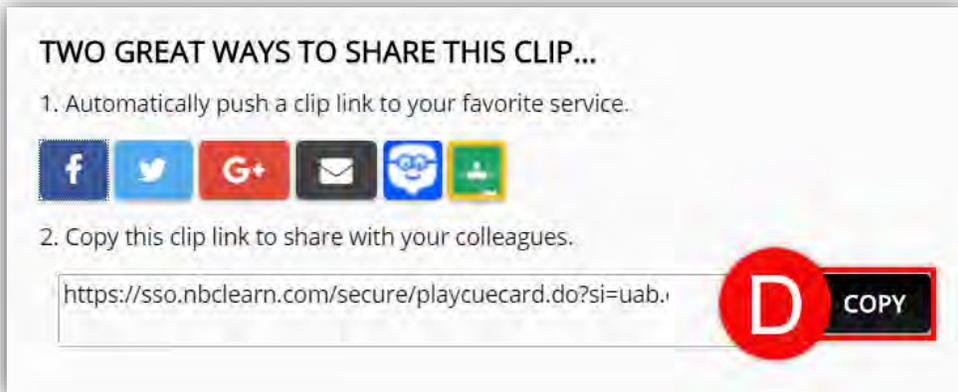

7. Paste the URL in desired location.

Share Playlist/Search URL

Users can share a customized playlist or search results using a Share URL. <mark>NOTE: This URL will require users to authenticate with BlazerID and strong password before being able to view the videos.</mark>

1. Navigate to https://sso.nbclearn.com/Shibboleth.sso/uab.edu.
2. Click desired Playlist (A) or enter in Search (B) criteria.
3. Click + Copy URL (C)

4. Click one of the service icons or click **Copy** (D) to copy the URL to your clipboard.

5. Paste the URL in desired location.
