

## Creating a Kaltura Assignment

1. Create a new assignment and add the assignment **Title** [A] and **Description** [B].

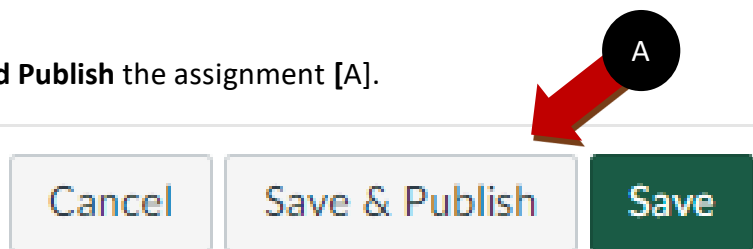

The screenshot shows the assignment creation interface. At the top right, there is a status indicator "Not Published" with a dropdown menu. Below it is a text input field for the assignment title, containing the text "Video Assignment". A red arrow labeled "A" points to this field. Below the title field is an HTML editor for the assignment description. The editor has a toolbar with various formatting options and a "Paragraph" dropdown. The description field contains the text "Description about the assignment". A red arrow labeled "B" points to this field. At the bottom left of the editor, there is a small "P" icon.

2. Set the submission type to Online and ensure the checkbox beside **Text Entry** is checked [A].

The screenshot shows the "Submission Type" settings panel. At the top, there is a dropdown menu for "Submission Type" with "Online" selected. Below this is the "Online Entry Options" section, which is highlighted in light blue. It contains several checkboxes: "Text Entry" (checked), "Website URL", "Media Recordings", "File Uploads", and "Enable Turnitin Submissions". A red arrow labeled "A" points to the "Text Entry" checkbox.

3. **Save and Publish** the assignment [A].

The screenshot shows the bottom of the form with three buttons: "Cancel", "Save & Publish", and "Save". The "Save & Publish" button is highlighted in a light grey color, and a red arrow labeled "A" points to it.
