# Using Zoom as a Student in Canvas

Student View

How Students Join a Meeting

1. Click the **Zoom** (A) Link from the left course navigation.
2. Click **Join** (B) for the desired meeting.
3. The Zoom desktop app should download and auto-launch.
   <mark>You may have to click Run Zoom when the download completes.</mark>
4. Students can also **Edit** (C) which Time Zone the meetings times are displayed in.

5. If Zoom does not auto-launch click **Download & Run Zoom** (D).
