Download Rave Guardian and Become a Guardian on Your Campus

1. Download Rave Guardian for Free

Available on the App Store

ANDROID APP ON Google play

Rave Guardian is one of the best ways to improve your personal safety and protect your friends by building your own private safety network. This free app provides instant communications with friends, family, co-workers, UAB Police, and even 911 in the event of an emergency. After downloading the app, follow the instructions and register using your **UAB email address only**.

2. Use Rave Guardian to Protect Yourself and Others

Set a Safety Timer – Notify people you trust to check in on you if you are alone or in an unfamiliar place.

Manage & Message Your Guardians – Invite family, friends, or others to be your Guardian, and communicate with them within the app as needed.

Easy Emergency Communication – Call safety officials directly for help if you are in trouble and send texttips – including photos – if you see something suspicious.

UAB

RAVE Guardian is the newest aspect of UAB's ongoing efforts to protect and secure the campus community. More information about the UAB Police Department, emergency preparedness, the B-Alert emergency notification system, Blazer Express and many other services can be found at uab.edu/emergency.
