

INTELLIGENT TRANSPORTATION SYSTEMS

ITS EVALUATION AND FUTURE CHALLENGES

DISCUSSION ISSUES

Note: Be prepared to answer the following questions.

Question 1.

What is the purpose of ITS program assessment and what are the guiding principles of such a process?

Question 2.

Suppose an ITS project has been implemented. How can the impacts of this project be measured?

Question 3.

What is the goal of the 2015-19 ITS Strategic Plan?

Question 4.

What are the two major program priorities of the 2015-19 ITS Strategic Plan?

Question 5.

List the five strategic themes and six program categories highlighted in the 2015-19 ITS Strategic Plan.

Question 6.

Create a list of the major challenges toward widespread ITS implementation.
