The University of Alabama School of Medicine invites applications for a full-time faculty position in the Office of Undergraduate Medical Education within the Department of Medical Education. This is a non-tenured, Assistant Professor position.

The responsibilities of this position are to:

- Manage the Office’s support of program evaluation, educational research and student assessment in the undergraduate medical education program.
- Provide curriculum evaluation consultation and data management and analysis support to the School’s Medical Education Committee.
- Design and implement educational research projects to support the Office’s mission.
- Advise and mentor faculty and students in educational research design and methodology.

Qualifications: Ph.D. or equivalent degree in Education, Psychology, Educational Psychology, Education Evaluation, Educational Measurement or related social science field, with emphasis in educational research and program evaluation. Candidate should have excellent verbal and written communication skills; an ability to work collaboratively; experience in higher education (medical education is preferred); publications in the medical, education, or social science literature; expertise in research design and methodologies, project and data management, and analysis; familiarity with evaluation and assessment software such as MedHub and ExamSoft; and use of statistical software such as SPSS or SAS.

Please send nominations and/or curriculum vitae to Dr. Craig Hoesley—1530 3rd Avenue South, Birmingham, Alabama 35294-3412.

UAB is an Equal Opportunity/Affirmative Action Employer committed to fostering a diverse, equitable and family-friendly environment in which all faculty and staff can excel and achieve work/life balance irrespective of, race, national origin, age, genetic or family medical history, gender, faith, gender identity and expression as well as sexual orientation. UAB also encourages applications from individuals with disabilities and veterans.

A pre-employment background investigation is performed on candidates selected for employment.
