Emotional Support

Travel abroad can bring unforeseen stress and strain. That is why International SOS developed the world’s leading assistance service to help support your mental and emotional, as well as, physical wellbeing.

Exposure to new environments, security incidents, medical or mental health conditions and even just being too far from home can impact you. These events can trigger anxiety or psychological issues.

International SOS Enhanced Emotional Support Services Provides:

Peace of Mind
In times of stress, you may need professional emotional support often at short notice and in your native language.
Timely and easy access to support through a single point of contact can prevent situations from spiralling out of control.

Wellbeing — Wherever, Whenever
In partnership with WorkPlace Options, our short-term counseling services provides you with psychological support while you are away and traveling internationally.
