

Academic Test Scores

In response to COVID-19, most programs have agreed to temporarily waive academic admission test scores (GRE, GMAT, MAT, etc) until 2021. This waiver applies to any application submitted after April 8th. Applications submitted prior to April 8th may be considered on an individual basis, and students should contact the Graduate School to request a waiver.

Students who have test scores may choose to optionally upload them.

English Proficiency Scores

UAB accepts a number of English proficiency scores, including TOEFL, IELTS, PTEA, IELA, and Duolingo.

Students are encouraged to take the Duolingo English test, which is administered completely online. For more information on English proficiency requirements, please visit:

<https://www.uab.edu/graduate/admissions/international-applicants/requirements>

Academic Test Score Exceptions

The following programs are currently limiting test score waivers as indicated below. This list may change over time and will be updated weekly.

Program	Admission Test Score Required	Duolingo Accepted?
Psychology (PhD)	GRE	Yes
Computer Science (PhD)	GRE	Yes
Biomedical and Health Sciences (MS)	PCAT, MCAT, OAT, DAT, or GRE	Yes
