

POLICIES AND GUIDELINES FOR GSG TRAVEL GRANTS

I. PURPOSE

An award of up to \$400.00 is available for eligible graduate students who are attending an extracurricular academic/professional conference or training activity. The award is offered as a supplemental reimbursement to cover expenses related to transportation, lodging, poster printing, and registration. These awards are not meant to reimburse for required UAB credit generating activities or for activities that are not primarily professional in purpose.

II. ELIGIBILITY

Graduate students are encouraged to apply for GSG Travel Grants to assist with expenses related to participation in professional conferences and/or non-UAB academic training activities. The following are the requirements for eligibility to receive consideration for a travel grant:

1. Applicants must be enrolled as a graduate student at UAB through the Graduate School, in good academic standing, and both **enrolled at the time of travel** and **at the time of reimbursement**.
2. UAB credit generating activities are not eligible.
3. Undergraduate students, 5th year students who have not completed their undergraduate degree, and non-degree seeking students are NOT eligible to apply for GSG Travel Grants.
4. Graduate students enrolled in the following schools are NOT eligible to apply for GSG Travel Grants:
 - a. Medicine*
 - b. Dentistry
 - c. Optometry*
 - d. Public Health

*Medical and optometry students (M.D. and O.D. students) are not eligible for travel grants; **Ph.D. students enrolled in the School of Medicine or Optometry are eligible to apply for travel grants.**
5. Any graduate student whose graduate program has their own student government association (SGA) funded by student tuition service fees is NOT eligible to apply for a GSG Travel Grant.
6. Each student is eligible to receive a maximum of two GSG travel grants while enrolled at UAB.
7. **Eligibility Exceptions:**
 - a. Any graduate student who has been an active GSG senator for six months and is enrolled in one of the schools noted in Part II.4. section of the Eligibility policy will still be eligible to apply for a travel grant.
 - b. Any graduate student who actively participates in a GSG committee and is enrolled in one of the schools noted in Part II.4. section of the Eligibility policy will still be eligible to apply for a travel grant. "Active Participation" is up to the discretion of the GSG Vice President and the GSG Committee Chair to which the student belongs.
8. Applicants may be approved for ONE GSG Travel Grant per academic year, with the academic year counted as Fall Semester to the following Summer Semester. **NO EXCEPTIONS.**
9. Eligibility that is not explicitly defined in this document is determined on a case-by-case

basis by the Treasurer of the GSG.

III. APPLICATION PROCESS

1. Complete and submit the online GSG Travel Grant Application (available at <http://www.uab.edu/gsg>) during the appropriate application period (see DEADLINES V.2).
 - a. For an application to be considered for selection, all fields need to be completed. This includes, but is not limited to, the following information:
 - i. Full name of conference as it appears online or in the registration information
 - ii. Correct estimated dates of travel
 1. The END DATE of travel is used to exclude applications that are not within the designated travel grant period. If this date is incorrect, your application will not be considered.
 - iii. Tentative or final abstract, including the title and authors OR Full description of the academic activity and the purpose of travel.
 - b. By digitally signing the GSG Travel Grant Application, the student agrees that he/she is willing to comply with the "Student Travel Statement of Agreement" listed in section VI.

NOTE: Due to the volume of applications received by the GSG, we are unable to consider applications that contain errors or are incomplete. Please ensure that your application is accurate before submitting. If you believe to have submitted an error, simply resubmit a new application prior to the closing of the form. Only the most recent application will be considered.

2. Prior to the beginning of the travel period, all eligible and completed applications submitted during the application period are collected and sorted randomly to determine the order in which grants are awarded.
 - a. Example Randomizer: *Urbaniak, G. C., & Plous, S. (2011). Research Randomizer (Version 3.0) [Computer software]. Retrieved on April 22, 2011, from <http://www.randomizer.org/>*
 - b. This process will be performed and witnessed by two officers of the GSG or appropriate designees as determined by the GSG Treasurer.

GSG SENATOR PREFERENTIAL SELECTION

Not exceeding one-third (1/3) of the total awards per semester, active GSG Senators who have exceeded expectations for participation and service to the GSG will receive preferential allocation of the travel grants. Eligibility and granting of the available awards by this mechanism is determined on a case-by-case basis by a vote of the elected GSG Executive Board members and this decision is final. Guidelines for those who would qualify for this selection process are defined as senators who have:

- i. **Attended at least 5 of the 6 previous GSG Senate meetings.**
- ii. **Currently exceeding participation expectations in at least one of the GSG committees** to the satisfaction of the Executive Board member responsible for the said committee.

Examples include, but are not limited to: Regular attendance and

participation at the GSG budget meetings, Volunteering to manage/plan a social or philanthropic activity, or Serving as a committee chair or co-chair.

Elected Executive Board members are not eligible for this preferential allocation but remain eligible for travel grants in the general selection pool. If eligible preferential applications exceed one-third of the total awards granted by this mechanism, randomization will be used and senators who do not receive a grant via this mechanism will still be eligible for travel awards in the general selection pool.

Travel grants are awarded to applicants based on the total funds available for each semester as determined by the Treasurer and/or the Travel Grants Officer. After randomization, students are notified prior to the beginning of the travel period if they have received a travel grant or not.

IV. REIMBURSEMENT

1. Immediately following the completion of the travel and **no later than the 60 (sixty) days after the travel is completed**, the student is responsible for submitting reimbursement documentation to their department.
 - a. Depending on the student's employment/student classification at the University, regulations regarding travel can vary. It is the responsibility of the student to check with their department to confirm their classification and the regulations around their particular travel situation.
 - i. UAB regulations must be followed for all travel and can change without notice. Please refer to the Financial Affairs Travel Guidelines for more information (<http://uabfinancial.infomedia.com/content.asp?id=208885>).
 - b. Once reimbursement is sent to the student's department, the reimbursing coordinator for the program should contact the Graduate School (Curtis Jones and/or Cynthia Ballinger) in order for the GSG travel grant to be debited from the reimbursement. It is the student's responsibility to communicate this to both their department coordinator AND the Graduate School.
2. If the total reimbursement is less than \$400 or if the student's department is not reimbursing for expenses greater than \$400, then the reimbursement can be sent directly to the Graduate School (Curtis Jones and/or Cynthia Ballinger).
3. The timeline to getting your reimbursement is dependent on the speed at which your department processes the reimbursement paperwork. Under usual circumstances, you should be reimbursed within a couple of weeks. Questions regarding missing reimbursement should first be referred to your department since they are the reimbursement initiating entity.
4. DO NOT SEND REIMBURSEMENTS TO THE GSG. Reimbursements sent to the gsatravel@uab.edu email account will not be reimbursed.

V. DEADLINES

1. As of May 1, 2010, **only electronic applications** will be considered. A current schedule listing the travel periods and their corresponding deadlines for applications are available on the GSG website (<http://www.uab.edu/gsg>).

2. The application period occurs approximately two months prior to each travel period and is open for approximately two weeks. Exact dates are determined by the GSG Treasurer and are published on the GSG website (<http://www.uab.edu/gsg>).
 - a. No applications will be considered prior to the application period nor will any late applications be considered. Students who ask if grants are still available outside of this period will be promptly flogged.
3. The travel period for each semester extends from approximately 7 calendar days prior to the last day of classes for the previous semester to approximately 7 calendar days prior to the last day of classes for the travel period semester. Exact dates are determined by GSG leadership and are published on the GSG website (<http://www.uab.edu/gsg>).
 - a. Eligibility for a given travel period is determined by date at which travel will be COMPLETED (END DATE of travel on the application).
 - b. Summer semester travels grant end dates shall be based upon the end of classes for the second summer session.
4. Complete reimbursement documentation for each travel period must be processed by the student's department or the graduate school **no later than sixty days after the travel is completed**. You must be enrolled during the period of travel and at the point you submit the reimbursement documentation.
