

2023 BENEFITS SUMMARY

for UAB Employees

Healthcare Plans

For new employees, coverage under UAB's healthcare plans will begin on the date of employment. Employees who wish to enroll in one of UAB's healthcare plans may do so within 31 days of their hire date or a separate qualifying event.

If for some reason you do not enroll during the times stated above, the next opportunity to do so will be during the annual open enrollment period (usually during October with a January 1 effective date). UAB's medical, dental, and vision plans are stand-alone programs. Premiums for medical, dental and vision insurance are pre-tax deductions from your paycheck.

Traditional Medical Plans

UAB offers eligible employees a choice of three stand-alone traditional medical plans: Viva UAB, Viva Access and Blue Cross/Blue Shield. Traditional plans are characterized by lower out-of-pocket costs (copays and deductibles) for covered services when compared to the consumer-driven health plan (see below), and do not include a high annual deductible that must be met before insurance begins paying.

Consumer Driven Health Plan with HSA

UAB offers eligible employees a consumer-driven health plan, Viva Choice. The difference between a traditional health plan and the Viva Choice CDHP is that in exchange for meeting a higher combined medical and Rx deductible, you will have lower monthly premiums. Viva Choice is paired with a Health Savings Account (HSA) that enables you to set aside pre-tax via payroll or after tax dollars to pay for qualified, out-of-pocket expenses.

Dental Plans

UAB offers eligible employees a choice of two dental plans — Basic or Comprehensive coverage — provided by Blue Cross/Blue Shield of Alabama (BCBS).

Under the Basic plan, preventive and diagnostic services are covered at 90 percent of usual, customary and reasonable (UCR) charges. Basic services are covered at 90 percent of UCR subject to a \$25 deductible. In addition to the Basic dental benefits, the Comprehensive plan covers major services at 60 percent of UCR subject to the deductible. Orthodontic services are covered at 50 percent of UCR up to a \$1,000 per patient lifetime maximum.

Vision Plans

UAB offers eligible employees a choice of Basic or Premier vision coverage, provided by Vision Service Plan (VSP).

VSP offers employees coverage for routine eye exams, lenses and frames, contacts and discounts for LASIK eye surgery. The Basic vision plan includes new replacement frames every other calendar year. The Premier vision plan includes new replacement frames every year. Both plans offer in-network and out-of-network coverage. UAB Eye Care, the University Optometric Group (private faculty practice group at UAB) and the UAB Department of Ophthalmology — Ophthalmology Services Foundation all participate in the VSP network.

HUMAN RESOURCES

The University of Alabama at Birmingham

Mandatory & Voluntary Retirement Programs

Mandatory Retirement Program

TEACHERS' RETIREMENT SYSTEM OF ALABAMA

The Teachers' Retirement System of Alabama (TRS) is a defined benefit pension plan (a specific benefit available upon retirement). Participation is mandatory, and employees contribute a percentage of their gross monthly tax-sheltered contributions up to the IRS 401(a) annual earnable compensation maximum. In addition to the employee contribution, the university contributes a percentage (as determined by the Alabama Legislature) of the institution's total payroll, which is deposited into the State General Retirement Fund. An employee is considered vested in the TRS program when 10 years of creditable service is earned. Employees hired before Jan. 1, 2013 are classified as a Tier 1 member. Employees hired after Jan. 1, 2013 are classified as a Tier 2 member. For Tier 1 members, retirement income is provided with 25 years of participating TRS service at any age, or at age 60 with at least 10 years of service. For Tier 2 members, retirement income is provided at age 62 to employees with 10 or more years of participating TRS service credit. Upon service retirement, employees are also eligible to join the state's Public Education Employee Health Insurance Plan (PEEHIP). Rates for this plan vary based on years of TRS creditable service.

If you should terminate your service before qualifying for retirement benefits, please contact the UAB Benefits Office for counseling and/or to apply for a refund of your accumulated contributions.

Voluntary Retirement Programs

403(b) PLAN

The 403(b) plan is a voluntary, defined-contribution, tax-deferred as well as Roth after-tax plan governed by the Internal Revenue Code 403(b). TIAA is the administrator for the voluntary retirement program. Vesting in the 403(b) plan is immediate. UAB matches the individual's contributions up to 5 percent of gross monthly pay not to exceed the IRS 401(a) annual compensation limit. Eligibility for matching is limited to full-time regular exempt employees.

457(b) PLAN

UAB also offers a voluntary, defined-contribution, tax-deferred as well as Roth after-tax plan governed by Internal Revenue Code 457(b). Similar to the 403(b) plan, the 457(b) plan offers the same expanded investment options, convenient payroll deductions, pre-tax as well as Roth after-tax contributions, and tax-deferred growth through TIAA. There are no UAB matching contributions under this plan.

NOTE: The IRS 401(a) annual compensation limit is \$305,000 effective July 1, 2022, and applies to the TRS and 403(b) programs.

Flexible Spending Account

UAB employees can take advantage of flexible spending accounts, which are pre-tax reimbursement accounts administered by PayFlex for eligible medical and dependent care expenses. You can set aside pre-tax money via payroll deductions to pay for healthcare and dependent care expenses not covered by your benefit plan. Money set aside in these accounts will reduce your taxable income, providing you with more value for the dollar.

You can set aside up to \$3,050 per year in a healthcare flexible spending account. For dependent care accounts, you can set aside \$5,000 or \$2,500 for married taxpayers filing separate returns. Employees must enroll within 31 days from date of hire, qualifying life event, or during the annual open enrollment period.

Health Savings Account

Only employees enrolled in the Viva Choice CDHP are eligible to participate in a HSA account and will be automatically enrolled in the HSA upon enrollment in the Viva Choice CDHP plan. UAB will pre-fund your account \$600 for single plans and \$1,200 for non-single plans elected during open enrollment. Outside of open enrollment, UAB will pre-fund a prorated amount based on the number of pay periods remaining in the calendar year at the time of enrollment. Once funds are available in your account, you can use those funds to pay for eligible expenses. Unused funds roll over from year to year and your HSA stays with you, even if you switch employers, change health plans or retire.

You may elect to contribute pre-tax dollars directly through payroll or after-tax dollars on your own, up to the annual limit of \$3,850 for single and \$7,750 for non-single.

Premium Assistance

UAB provides premium assistance to eligible active employees by giving a medical premium discount based on family size and total combined household income. To apply for this discount, active employees must submit the Premium Assistance Application and furnish acceptable proof of total annual household income based on their most recently filed Federal Income Tax Return. Application deadline is 60 days from January 1 each plan year; or 60 days from the effective date of enrollment in a medical plan for newly eligible employees.

The amount of the discount provided is equal to the lowest cost single plan employee medical premium offered. For 2023, the amount is \$81.32 per month (up to \$975.84 per year) subject to applicable taxes. Employee's regular medical premium will remain tax-sheltered.

Faculty members on 12-month appointments accrue 22 working days of vacation per year. Faculty members on nine-month appointments do not accrue vacation credit (effective August 1, 2013).

Sick Leave

Sick leave is provided by UAB for the income protection of employees when they must take time away from work for medical reasons. Sick leave is also available for other individuals as defined in the sick leave policy under Section 303 of the UAB Policy and Procedures Manual. Regular full-time employees and 3/12-hour shift employees accrue sick leave at the rate of 10 days per year. There is no cap on the number of sick leave days an employee may accrue with UAB.

The accrual rate for sick leave benefits for faculty with nine-month appointments is 7.5 days for each nine months of service under a regular appointment. Nine-month faculty working under a full-time appointment with UAB during the summer may accrue an additional 2.5 days of sick leave. Sick leave is available for use during the initial six-month probationary period for an employee's own serious health condition. Credit is given based on the initial date of employment in an eligible status.

Holidays, Regular & Personal

Regular full-time employees are entitled to 12 paid holidays each year — nine designated and three personal. The nine designated holidays are New Year's Day, Dr. Martin Luther King Jr. Day, Memorial Day, Juneteenth, Independence Day, Labor Day, Thanksgiving Day, the day after Thanksgiving, and Christmas Day. If a holiday falls on a Saturday, it will be observed on the preceding Friday; if the holiday falls on a Sunday, it will be observed on the following Monday.

In addition to the nine designated holidays, a regular full-time employee who has completed the initial six-month probationary period may take three working days during the year as personal holidays. These personal holidays must be taken between July 1 and June 30 each year. (Exact dates will vary for biweekly paid employees.) Unused personal holidays will be forfeited; in July, three new days will be added for the coming year. Personal holidays must be taken prior to notice of termination; they will not be paid as terminal leave or during the period of notice.

Special Holiday Information

Due to the special requirements of UAB Hospital and UAB Police Department, the holiday policy for employees in those units is somewhat different from the policy for other employees.

UAB Hospital and UAB Police Department employees have 12 personal holidays per year rather than nine designated and three personal holidays. These 12 holidays may be scheduled at any time during the year with the supervisor's approval. For biweekly paid employees, the holidays must be requested prior to the beginning of the pay period in which they are to be taken.

For full-time regular monthly paid and 3/12-hour shift employees, personal holidays will accrue at the rate of .92 days per month, up to a maximum of 12 days. Full-time regular biweekly paid employees will accrue these holidays at a rate of 3.69 hours per pay period, up to a maximum of 96 hours. New employees are eligible to use personal holiday time as it is accrued.

NOTE: This summary of benefits is for general guidance only and is not a contract. All benefits are subject to the terms, conditions and limitations of the contracts governing them; therefore, employees should refer to the governing documents for full and accurate information specific to each benefit. Benefit eligibility may differ for employees working other than full-time regular positions.
