Explain why you would like to become a UAB Mental Health Facilitator. How do you envision your role as a Mental Health Facilitator contributing to the overall well-being of employees within the UAB enterprise?

Please share a specific experience where you supported someone in a mental health crisis or helped someone struggling with their mental well-being.

How do you plan to balance your commitment as a Mental Health Facilitator with your UAB department responsibilities and duties?

What qualities do you possess that would make you a good facilitator?

Are you comfortable speaking in front of groups of colleagues and/or peers on the topic of suicide or other sensitive subject matters? Share your experiences with public speaking.

By signing this application, I affirm that I meet all necessary qualifications to assume the role of a UAB Mental Health Facilitator, and my supervisor endorses my candidacy.
