Recognizing Dementia & Alzheimer’s Disease
and Eldercare Resource Fair

Learn to recognize the signs and symptoms of Alzheimer’s disease and dementia in older adults and explore next steps for family members, in this Eldercare Education Series presentation by Miller Piggott, MSW, Executive Director of Alzheimer’s of Central Alabama. Come early for a resource fair with community eldercare providers prior to the event.

WHO
Program is open to all UAB, UAB Medicine, VIVA Health and Homewood City School System employees.
