Mental Health First Aid teaches you how to identify, understand and respond to signs of mental health and substance use challenges among adults. Participants will learn common signs and symptoms of mental health and substance use challenges, how to interact with a person in crisis and connect them with help, and additional information on trauma, substance use and self-care.

2022 DATES:
January 27 • March 31 • May 26 • July 28
September 29 • November 17
9 a.m.-3 p.m. via Zoom; participants complete two hours of online coursework prior to virtual training session. Participants may only reschedule one time during the calendar year.

WHO:
Program is free and open to all UAB, UAB Medicine, VIVA Health, Homewood and Trussville City Schools and i3 Academy employees and members of their immediate household.

REGISTRATION:
Email uabeacc@uabmc.edu to register. Course is limited to 20 participants; registration closes 10 days ahead of requested session. To request disability accommodations, email HRAWARE@uab.edu.
