HR SUPPORT FOR MANAGERS

Help is on the Way

As you get ready for the new year, you may be thinking, I haven’t faced this before. Where do I go for this issue? What is the UAB way to handle that? Human Resources is here to help. Here are a few resources to help on your management journey.

LEARNING AND DEVELOPMENT SOLUTIONS:

Let HR be part of your support team for 2020. For more information about HR and the many ways HR supports UAB, contact your HR Consultant or for learning & development solutions, contact learndev@uab.edu.

RESOURCES

- **HR Consultants** – These knowledgeable and skilled consultants have expertise in human resources, employee relations, and problem-solving. They can be a valuable resource to you and your team. Consultants are assigned to specific departments. Get to know your consultant to help you better navigate UAB land. - **Organizational Learning & Development** – Our team provides learning and development solutions for managers and employees. Products and services include orientation, management solutions, skill-building and team development assistance. Through OL&D, you have access to face-to-face workshops as well as access to 24/7 e-learning and custom solutions, like LinkedIn Learning. Join us to learn something new! - **Manager Toolkit** – The Manager’s Toolkit is a resource that includes policies and procedures as well as best practices and models for onboarding and performance management. Check it out, and feel free to tell us what you’d like to see there next year. [https://www.uab.edu/humanresources/home/managers-toolkit](https://www.uab.edu/humanresources/home/managers-toolkit)

- **HR Website** – As a manager, you have access to services from many of the HR Departments, and you have the opportunity to direct your team. The website has information about all things HR – benefits, payroll, counseling through the EACC and wellness. Become familiar with these resources before you need them.
