Appoint, Change and Terminate (ACT Documentation)
Creating a Family Medical Leave of Absence (FMLA) without Pay Document

The **FMLA WITHOUT PAY** document reason is used when the employee has *exhausted all* or is *not eligible* to utilize accrued sick leave, personal holiday and vacation time during the FMLA period.

**Note:** If the employee has accrued benefit time available, you will not be allowed to process a FMLA without Pay document.

When using the **FMLA WITHOUT PAY** document reason, the **EXPECTED RETURN TO WORK** field located on the **ASSIGNMENT FORM** is the only field available for update.
