Processing a Military Leave of Absence with pay and without pay

The following documentation explains how to process a Military Leave of Absence where a portion of the leave is with pay and a portion of the leave is without pay.

Scenario: Ms. Anniston received military orders calling her to active duty effective February 01, 2006 with an anticipated discharge date of Sept. 30, 2006. Ms. Anniston will utilize her 21 days of military pay for this calendar year. She has elected not to utilize her benefit time accruals while on Military Leave of Absence. A Military Leave without Pay ACT document (Step Two) must be created for the duration of the military leave of absence.
