The **NEW TRAINEE AWARD** ACT document is completed by the HR Officer to **appoint** all **new trainees** who have **never** been affiliated with UAB in an active trainee or employee status.

The information entered on the **New Trainee Award** ACT document provides the data needed for a trainee to be paid. It also creates the official personnel record for that individual. While it may seem to be a rather lengthy process, much of the data is used for reporting throughout the University and to external agencies; therefore, providing as much data as possible and ensuring its accuracy is important. It is recommended before starting this procedure, you have all of the relevant information in front of you, and that it is completed in sequential order.

For additional Student Trainee information, go to Financial Affairs webpage. [Click here.](#)
