

Appoint, Change and Terminate (ACT) Documentation Transfer Lateral Same Department

The **TRANSFER LATERAL SAME DEPARTMENT** document reason is used when a **staff employee** is transferring within the **same** organization and may or may not involve a salary change.

For **faculty employees** the **TRANSFER LATERAL SAME DEPARTMENT** document reason is used when a faculty member is transferring within the same organization where no promotion is associated with the change or when transferring to a staff position within the **same** department. Also, must be used for the following:

Non-Benefitted or Non-Fully Benefited to Fully Benefited:

04 to 01
04 to 03

02 to 03

Note: Employee could be transferring with the same job classification or a different job classification, but the pay grade of both job classifications **must** remain the same (in some cases, the proposed pay grade could be lower than the current pay grade). If the new job classification is a higher pay grade than the employee's current pay grade, use the **PROMOTION SAME DEPARTMENT** document reason. The **POSITION** string **must also change**; if the **POSITION** string is to remain the same, use the **RECLASSIFICATION** document reason.

The **ASSIGNMENT**, **SALARY**, and **LABOR SOURCE** forms are available for change when using this document reason. If the employee's personal information is changing, the **PERSON DATA FORM** is available for update or change on selected fields.
