The **CREATE VOLUNTEER** ACT Document is completed by the HR Officer to **appoint** all **new volunteers** who have **never** been affiliated with UAB in an active trainee or employee status.

The information entered on the **CREATE VOLUNTEER** document creates the official personnel record for that individual. While it may seem to be a rather lengthy process, much of the data is used for reporting throughout the University and to external agencies; therefore, providing as much data as possible and ensuring its accuracy is important. It is recommended before starting this procedure, you have all of the relevant information in front of you, and that it is completed in sequential order.

Instructions for completing each individual form on the **CREATE VOLUNTEER** ACT document can be accessed by scrolling to the referenced page number.
