

Session 5: Show & Tell

Time	Activities
5 min	Reflect: What did we learn last time? <ul style="list-style-type: none"> • <i>Ask the students: What is one thing you remember learning from the last Scratch Club meeting?</i> • <i>Ask the students: Who would like to share something about their story?</i>
30 min	Create: My Story <ul style="list-style-type: none"> • Open the students' projects on their computers from the Scratch Club jump drive. • Tell the students they have 30 more minutes today to continue working on their projects. After that, we will share their projects with the rest of the club. • Encourage the students to ask a neighbor for help if needed. If their neighbor cannot help them, ask an adult. • As students complete their projects, have them upload their projects to the Scratch website and save them to the Scratch Club jump drive. You can replace the first version of their projects.
20 min	Show & Tell <ul style="list-style-type: none"> • Using the Promethean board or projector, show each student's project to the rest of the group.
5 min	Reflect <ul style="list-style-type: none"> • As you wrap up the club, thank the students for their participation. • Ask the students to share one of their favorite things about the Scratch Club.
