

## **UAB Grade Posting and Grade Distribution Policy**

### Public "Posting" of Grades

Posting grades or any other display of grades must comply with the following conditions:

1. Grades must never be posted in a format that would publicly reveal the identity of individual grade recipients.
2. Lists of grades for any work in classes or course sections with fewer than eight (8) students must neither be publicly posted or in any way made publicly available.

### Grade Distributions for Final Course Grades

Upon written request, a final class (or course section) grade distribution (for example, total number of As, Bs, Cs, etc.) will be made available for any class or course section with a final enrollment of eight or more students. However, grade distribution data must not be made available in any instance in which it would be possible to identify individual grade recipients.
