1The federal reporting period for completions is July 1 through June 30. Awards are shown as record at time of reporting for award level, college/school and major description.

2 IPEDS Award Levels:

1 - Postsecondary Certificate requires less than 30 credit hours.

2 - Postsecondary Certificate requires at least 30 but less than 60 credit hours.

5 - Bachelor's Degree requires at least 4 but not more than 5 years of full-time equivalent college credits.

6 - Postbaccalaureate Certificate requires completion of an organized program of study beyond the bachelor's.

7 - Master's Degree requires completion of a program of study of at least the full-time equivalent of 1 but not more than 2 academic years of work beyond the bachelor's degree.

8 - Post-Master's Certificate requires completion of an organized program beyond the master's degree, but does not meet the requirements of academic degrees at the doctor's level. Per ACHE guidelines this includes the Ed.S. Degrees: Education, Educational Leadership, Teaching Eng to Spkrs Oth Lang, and TESOL.

Starting in fall 2010, the U.S. Department of Education divided the classification of doctoral degrees into the following categories:

17 - Doctor's Degree - Research/Scholarship - A Ph.D. or other doctor's degree that requires advanced work beyond the master's level, including the preparation and defense of a dissertation based on original research, or the planning and execution of an original project demonstrating substantial artistic or scholarly achievement. At UAB, this category includes D.Sc., Ed.D., and all Ph.D. degrees.

18 - Doctor's Degree - Professional Practice - A doctor's degree that is conferred upon completion of a program providing the knowledge and skills for the recognition, credential, or license required for professional practice. The degree is awarded after a period of study such that the total time to the degree, including both pre-professional and professional preparation, equals at least six full-time equivalent academic years. These include the D.M.D., M.D., and O.D. degrees formerly classified as "first professional" and at times still referred to as such; additionally at UAB, this category also includes D.N.P., D.P.T., O.T.D., Dr.P.H., and D.Sc.P.T. degrees.

From fall 2010 through summer 2021, D.Sc. was reported under Doctor's-Other (Award level -19), and Ed.D. was reported under Doctor's-Professional Practice (Award level -18), per Alabama Commission on Higher Education (ACHE) guidelines. Beginning in Fall 2021, both D.Sc. and Ed.D. degrees are reported under the Doctor's-Research/Scholarship (Award level -17), consistent with National Center for Education Statistics (NCES) and Integrated Postsecondary Education Data System (IPEDS) guidelines.
