FOREWORD

The Office of Planning and Analysis is pleased to present *Facts & Figures 2006-07*. This is the 27th edition of the UAB factbook, the tenth edition available electronically on the web, and our fifth full color cover. *Facts & Figures* is compiled by Planning and Analysis (formerly Institutional Studies and Services) but reflects contributions from offices all over campus. We remain grateful for our contributors' continued assistance.

In recent years the pace of technological development and the need for timely management information have tended to limit the life span and utility of the printed factbook. Therefore, this document should not be used in isolation. Rather, it should be considered an archival companion product for similar information that is continually updated on the Planning and Analysis web pages. All the data contained in this document can be viewed in their most current versions at www.iss.uab.edu.

Our objective with this factbook is to produce a useful and usable resource for a variety of information needs. Therefore, we welcome and appreciate your comments and suggestions about the content of *Facts & Figures*.

This year's cover shows the Commons on the Green, UAB's new state-of-the-art dining facility. Overlooking the new Campus Green, the Commons on the Green seats 450 diners and offers six food lines as well as a grab-and-go "C-store" and a late-night diner. The Commons is rapidly becoming the center of dining and socializing for UAB students and faculty.

UAB'S PLAN FOR THE FUTURE

Vision:

An internationally renowned research university – a first choice for education and health care.

Mission:

UAB is a research university and academic health center that discovers, teaches and applies knowledge for the intellectual, cultural, social and economic benefit of Birmingham, the state and beyond.

Goals:

- (1) Undergraduate Education - We will achieve a highly effective undergraduate educational experience to give students the best possible preparation for productive and meaningful careers and lives that benefit society.
- (2) Graduate and Professional Education - We will ensure that graduate and professional programs are exceptional in preparing students to lead, teach, conduct research, and provide professional services.
- (3) Research and Scholarship - We will expand and improve UAB's research and scholarship capability to acquire and disseminate new knowledge that benefits society and that further positions UAB as an internationally recognized research university.
- (4) Service to Community and State - We will enhance our value and reputation in the state by working effectively with partners to help advance community and state goals in education, health, quality of life and economic development.
- (5) Community and Financial Support - We will aggressively pursue and secure community and financial support.
- (6) Work Environment - We will create a positive, supportive and diverse work environment in which faculty and staff can excel.

NOTE: "Total for Reporting" is the total reported to state and federal agencies and included in documents such as surveys and questionnaires.

¹The certificate programs in Health Professions were phased out beginning in 1994. Dental Assisting and Dental Lab Tech were eliminated in 1995; Dental Assisting was reinstated in Fall 2000. Students in the certificate programs in EMT and reinstated Dental Assisting are included with undergraduates.

²Advanced Professionals are interns, residents, and postdoctoral fellows in the basic medical sciences plus students in postgraduate programs in dentistry and optometry.

³Beginning in 1993, students taking classes off campus are included in the headcount enrollment.

UAB FALL HEADCOUNT ENROLLMENT 1969-2006

¹ Appropriations are shown as originally enacted. Budgets have been prorated as follows: 1978-79 - 2.9811%; 1979-80 - 6.1406%; 1980-81 - 3.568%; 1985-86 - 4.1233%; 1990-91 - 6.5%; 1991-92 - 3%, 2000-01 - 6.2%. In FY 1992-93, UAB received supplemental appropriations totalling \$4,351,070. In FY 2001-02, the appropriation was adjusted to \$212,869,757.

² The Governor's Recommendation contained one amount for the University of Alabama System.

³ The Alabama Commission on Higher Education made its first recommendation in the 1973-75 biennium.

⁴ Beginning in FY 1988-89, figures include funding for Special Mental Health. Prior to FY 1988-89, funding for Special Mental Health was allocated separately. Since ACHE does not make a recommendation for Special Mental Health funding, the prior year's appropriation is substituted as the recommendation.

⁵ Original Appropriation amount includes FICA. FICA was not included in UAB's request or ACHE's recommendation.

⁶ FICA is included in all figures from FY 1992-93 forward.

⁷ In FY 1993-94, UAB also received \$100,000 for minority business recruitment and \$300,000 for the Bevell Center for Biotechnology. In FY 1994-95 and FY 1995-96, UAB received \$350,000 for the Bevell Center.

⁸ From FY 1995-96 to FY 1998-99, data include UAB Walker College where appropriate.

⁹ Original appropriation includes teachers retirement of \$29,763,321 which was directly appropriated to UAB.

¹⁰ Beginning in FY 1996-97, figures include funding for teachers retirement. Since ACHE did not make a recommendation for teachers' retirement funding in FY 1996-97, the prior year's appropriation is substituted as the recommendation.

¹¹ In FY 1998-99 and FY 1999-00, UAB also received \$348,735 to fund a teacher in-service center in the School of Education. In FY 2000, the amount was increased to \$351,606. Beginning in FY 2002, teacher in-service centers were funded through the State Department of Education.

¹² UAB also received funding for line items for the Cystic Fibrosis Center (\$200,000) and the Holmes Brain Tumor Research Center (\$200,000) in FY 2000-01. In FY 2001-02 and FY 2002-03, funding for both lines were reduced to \$178,220, and UAB received \$84,420 for the emergency medicine residency program. In FY 2003-04, the lines were cut to \$44,555 and emergency medicine received \$21,105. In FY 2004-05, all funding for these special lines (Cystic Fibrosis Center, Holmes Brain Tumor Research Center, and the Emergency Medicine Residency Program) was cut.

¹³ UAB also received funding distributed through ACHE for Knight v AL Minority Faculty Recruitment and Retention in the amount of \$539,525.
