March 2008

Office of Planning and Analysis UNIVERSITY OF ALABAMA AT BIRMINGHAM Birmingham, Alabama 35294-0104 (205) 934-2384

FOREWORD

The Office of Planning and Analysis is pleased to present *Facts & Figures 2007-08*. This is the 28th edition of the UAB factbook, the eleventh edition available electronically on the web, and our sixth full color cover. *Facts & Figures* is compiled by Planning and Analysis (formerly Institutional Studies and Services) but reflects contributions from offices all over campus. We remain grateful for our contributors' continued assistance.

In recent years the pace of technological development and the need for timely management information have tended to limit the life span and utility of the printed factbook. Therefore, this document should not be used in isolation. Rather, it should be considered an archival companion product for similar information that is continually updated on the Planning and Analysis web pages. All the data contained in this document can be viewed in their most current versions at www.iss.uab.edu.

Our objective with this factbook is to produce a useful and usable resource for a variety of information needs. Therefore, we welcome and appreciate your comments and suggestions about the content of *Facts & Figures*.

Source: Alabama Commission on Higher Education Unified Budget Recommendations

²The Governor's Recommendation contained one amount for the University of Alabama System.

³ The Alabama Commission on Higher Education made its first recommendation in the 1973-75 biennium.

⁴ Beginning in FY 1988-89, figures include funding for Special Mental Health. Prior to FY 1988-89, funding for Special Mental Health was allocated separately. Since ACHE does not make a recommendation for Special Mental Health funding, the prior year's appropriation is substituted as the recommendation.

⁵ Original Appropriation amount includes FICA. FICA was not included in UAB's request or ACHE's recommendation.

⁶ FICA is included in all figures from FY 1992-93 forward.

⁷ In FY 1993-94, UAB also received \$100,000 for minority business recruitment and \$300,000 for the Bevill Center for Biotechnology. In FY 1994-95 and FY 1995-96. UAB received \$350,000 for the Bevill Center.

⁸ From FY 1995-96 to FY 1998-99, data include UAB Walker College where appropriate.

⁹ Original appropriation includes teachers retirement of \$29,763,321 which was directly appropriated to UAB.

¹⁰Beginning in FY 1996-97, figures include funding for teachers retirement. Since ACHE did not make a recommendation for teachers' retirement funding in FY 1996-97, the prior year's appropriation is substituted as the recommendation.

¹¹In FY 1998-99 and FY 1999-00, UAB also received \$348,735 to fund a teacher in-service center in the School of Education. In FY 2000, the amount was increased to \$351,606. Beginning in FY 2002, teacher in-service centers were funded through the State Department of Education.

¹²UAB also received funding for line items for the Cystic Fibrosis Center (\$200,000) and the Holmes Brain Tumor Research Center (\$200,000) in FY 2000-01. In FY 2001-02 and FY 2002-03, funding for both lines were reduced to \$178,220, and UAB received \$84,420 for the emergency medicine residency program. In FY 2003-04, the lines were cut to \$44,555 and emergency medicine received \$21,105. In FY 2004-05, all funding for these special lines (Cystic Fibrosis Center, Holmes Brain Tumor Research Center, and the Emergency Medicine Residency Program) was cut.

¹³UAB also received funding distributed through ACHE for Knight v AL Minority Faculty Recruitment and Retention in the amount of \$539,525.
