“Bandido the Best Rodeo Bull of All Time

Words on the Theme:

“Keep away from people who belittle your ambitions. Small people always do that, but the really great make you feel that you, too, can become great.”

Mark Twain

“The two important things I did learn were that you are as powerful and strong as you allow yourself to be, and that the most difficult part of any endeavor is taking the first step, making the first decision.”

Robyn Davidson

“Two roads diverged in a wood, and I . . . I took the one less traveled by, and that has made all the difference.”

Robert Frost

“There is a tide in the affairs of (humanity), which taken at the flood, leads on to fortune. Omitted, all the voyage of their life is bound in shallows and in miseries. On such a full sea are we now afloat. And we must take the current when it serves, or lose our ventures.”

William Shakespeare

The Tragedy of Julius Caesar

“Progress always involves risk; you can't steal second base and keep your foot on first.”

Frederick Wilcox

“Sometimes life is about risking everything for a dream no one can see but you.”

Anonymous

“When you take risks you learn that there will be times when you succeed and there will be times when you fail, and both are equally important.”

Ellen DeGeneres

“The best time to plant a tree was 20 years ago. The second best time is now.”

Chinese Proverb

“Twenty years from now you will be more disappointed by the things that you didn’t do than by the ones you did do, so throw off the bowlines, sail away from safe harbor, catch the trade winds in your sails. Explore, Dream, Discover.”

Mark Twain
