The rainbow is the ancient biblical sign of covenant: a promise to Noah, his descendants, and with all living beings — everything that came out of the boat.

Rainbow colors are signs that everyone is included. To exclude any person or group is to deny promise and blessing.

LIFE cannot be fully pictured in black and white — only in color can the truth be told.

In what ways do you see life being COLORFUL?

Words on the Theme:

“The soul would have no rainbow had the eyes no tears.” John Vance Chaney

“Don't miss all the beautiful colors of the rainbow looking for that pot of gold.” Author unknown

“Sometimes it's important to work for that pot of gold. But other times it's essential to take time off and to make sure that your most important decision in the day simply consists of choosing which color to slide down on the rainbow.” Douglas Pagals

“The way I see it, if you want the rainbow, you gotta put up with the rain.” Dolly Parton

“I truly believe that if we put the strength of our hearts and minds together that we can change prejudice, and that my generation of kids can grow up appreciating the glorious rainbow of diversity.” Author unknown

“Our flag is red, white and blue, but our nation is a rainbow - red, yellow, brown, black and white - and we're all precious in God's sight.” Jesse Jackson
