“Bobby McFerrin Demonstrates the Power of the Pentatonic Scale”

### **Words for Today**

“Technology is just a tool. In terms of getting the kids working together and motivating them, the teacher is the most important.”

Bill Gates

“The lessons from the peace process are clear; whatever life throws at us, our individual responses will be all the stronger for working together and sharing the load.”

Queen Elizabeth II

“We cannot accomplish all that we need to do without working together.”

Bill Richardson

“I've always loved the experience of working together with other people toward an artistic goal.”

Trey Anastasio

“I kind of feel like we're all humans; we all live on this planet. I kind of always wish there was more of a partnership - a really healthy relationship between people, working together to do things and make it good and change.”

Robert Coppola Schwartzman

“A sustainable world means working together to create prosperity for all.”

Jacqueline Novogratz

“No matter how much success you're having, you can't continue working together if you can't communicate.”

Matt Cameron

“It's when we start working together that the real healing takes place... it's when we start spilling our sweat, and not our blood.”

David Hume

“Band members have a special bond. A great band is more than just some people working together. It's like a highly specialized army unit, or a winning sports team. A unique combination of elements that becomes stronger together than apart.”

Steven Van Zandt
