

Sexual Health Awareness through Peer Education

SHAPE

Would you like to...

- Apply your existing knowledge and theory to sexual health promotion?
- Plan outreach events to meet college and community needs?
- Lead sexual health workshops for college students and other groups?
- Communicate accurate information to diverse populations?
- Provide HIV testing and counseling?
- Network with campus and community organizers?

Join us by signing up for:

SHAPE Peer Education

Undergraduate (CHHS 427-2F) OR Graduate (CHHS 527-2F)

Service - Learning Designated Course

BACHE eligible on other campuses

Fall or Spring

3 credit hours

Tuesday and Thursday, 3:30 - 4:45 pm

UAB 1917 Clinic, Community Care Bldg (CCB) 147

"I really enjoyed this class. The service learning really connected our classroom to the community." - Health Education student

"The HE 490 course is a great way to teach people how to conduct presentations and do it in a culturally sensitive way." -African-American Studies student

"I learned not only how to test people for HIV, but also how to coordinate screenings within the community." -Health Behavior student

"I furthered my understanding of my beliefs and values. I enjoyed learning more about decision making." -Non-traditional graduate student
