Elizabeth Driscoll, MD

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of Alabama at Birmingham School of Medicine, Dept of Anesthesiology and Perioperative Medicine and Division of Continuing Medical Education. The UAB School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The University of Alabama School of Medicine designates this educational activity for a maximum of **24 AMA PRA Category 1 Credit(s)[™]**. Physicians should claim credit commensurate with the extent of their participation in the activity.

UAB is an Equal Opportunity/Affirmative Action Employer committed to fostering a diverse, equitable and family-friendly environment in which all faculty and staff can excel and achieve work/life balance irrespective of , race, national origin, age, genetic or family medical history, gender, faith, gender identity and expression as well as sexual orientation. UAB also encourages applications from individuals with disabilities and veterans.

Target Audience:

Physicians involved in the perioperative care of patients including anesthesiologists, surgeons, internists, pediatricians, neurologists, radiologists, and emergency medicine physicians.

Course Objectives:

Participating physicians will be able to understand perioperative management issues of significant comorbidities such as heart disease; understand management of perioperative complications such as anaphylaxis and local anesthetic toxicity; and understand techniques to improve patient care and O.R. Management
