Three of Birmingham's Civitan clubs - ACTION Civitan Club, Research Civitan Club and Birmingham Civitan Club - are uniting to have a winter social for anyone who lives or works in the downtown vicinity and surrounding suburbs. Come meet a philanthropic and fun group of folks and see if the Civitan Club's cause is something you want to champion in 2019. The event will be in the atrium at UAB Highlands, and visitors are welcome to tour some of the medical machines Civitan donations have made possible. Complimentary hors d'oeuvres and beverages will be served. Attendees will be entered into a drawing for a gift card prize!
