CONVENTION 2016

Research Civitan Club is a member of the Alabama Central District. This August, Convention was hosted in Mobile and attended by officers Katie King, Tiffany Alexander, and Mark Bolding. We received awards for the 2014-2015 year: International Honor Club, District Honor Club, Club Appreciation Award & Club President of Distinction (Bolding).

District Updates: We elected new district representatives, dues will increase to International by \$1 per person per quarter, and the Newsletter will now be sent to you online instead of through the mail.

Did You Know Civitan International is turning 100? Save the Date because its birthday will be celebrated at the Birmingham Sheraton Hotel and tours will be given of the CIRC and Highlands so the whole world can see the great work being done at our home and by many of our RCC members. **June 24-27 (Huge savings if you register before November 15.)**

HAPPENINGS

Due to our merger with McWane Science Center for SciCafe, our meetings have swapped times. Club business meetings will take place the first Tuesday of each month from 11:30 - 12:30 in the CIRC conference room (Next **September 6th**). Our general meetings will occur at 5:15 at John's City Diner immediately before SciCafe the 3rd Tuesday of each month. All are welcome. Next SciCafe Topic: The Engineering of Mosquitos?

Thanks to all who supported and contributed to our back to school drive for foster children, especially Tiffany Alexander for organizing the project.
