Essential Information for Principal Investigators at UAB

RECRUITMENT & RETENTION SPECIAL ISSUE

Enhance your study's accrual with [Recruitment and Retention Plan Consultations](#), an exciting new offering that launched just a few weeks ago. Study teams utilize this support free of cost, to create and strengthen their recruitment plans.

Getting started is easy:

1. [Contact the CCTS Clinical Research Support Program \(CRSP\) team](#) to request a consultation. Someone will get back in touch with you to request some general information about your study.
2. **The CRSP team will schedule a zoom meeting** with you to discuss strategy and opportunities, and will then create a formal plan based on your feedback.
3. **The CRSP team will check in every 4 weeks** to see how things are going, to provide service and to make any necessary adjustments to the plan.

Take advantage of this new support to ensure you have a solid plan in place. Questions on how this new offering can help your study? [Contact the CCTS for more information.](#)
