TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

-  **CCTS Research Training Program (RTP) Starts April 16th** | The Clinical Research Support Program provides this in-depth training on essential areas of research from key leaders in research at UAB over six sessions to educate on implementing and managing a clinical study or trial with an emphasis on Good Clinical Practices (GCP), compliance, and other key topics. **Begins Apr. 16 via Zoom.** [Learn more](#), [register now](#).
-  **Streamlining Digital Signatures for Informed Consent** | The Office of the IRB worked with UAB IT to develop a process for obtaining electronic signatures during the informed consent process, directly addressing a gap identified during the pandemic. The new signing process has been validated on a FDA Part 11-compliant signature platform. [UAB Policy on Electronic Informed Consent](#).
-  **Register Now, CCTS Quarterly Lunch & Learn** | CCTS Lunch & Learn returns with the critical updates your clinical research team needs on **Tuesday, Apr. 9, 11:30am-1p, via Zoom.** [Register now](#).
