TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

-  **OnCore Accrual Reports** | The OnCore team distributes reports to PIs and relevant staff on the first Thursday of each month which enables, at a quick glance, how well trials are performing. These reports are received from **SQLReport@uabmc.edu** so be sure to safeguard this address in Outlook. For questions related to these reports, feel free to contact OnCoreReporting@uabmc.edu.

-  **Participant Payments** | The vendor (Greenphire) for our ClinCard payment system has notified UAB that starting May 1st they will begin **increasing the cost of the Load Fee from \$1.15 to \$1.75** due to the rise of inflationary and transactional processing costs. Please ensure your administrators are aware for budgetary purposes.

-  **Register Now for the upcoming CCTS Lunch and Learn** | The CCTS Quarterly Lunch & Learn provides research teams with the most current guidance for clinical research at UAB. Plan to have at least one person attend and communicate updates to the rest of your team. **Tune in virtually on April 9, 11:30 am-1 pm. [Register now.](#)**
