Essential Information for Principal Investigators at UAB

LATEST UPDATES

➔ **On-site monitoring visits** may now resume as some COVID restrictions have been lifted. Guidelines are subject to change given ongoing surveillance efforts and updates with public health directives.

Please contact **Cindy Joiner, PhD MPH RN**, for specific case-by-case questions not addressed otherwise in [UAB's guidance](#).

➔ **Maximizing your DSMB:** Richard Whitley, MD, Co-Lead of the CCTS Drug Discovery initiative and UAB Distinguished Professor, recently shared lessons he's learned over many years of participating in research studies. His 14-minute presentation provides guidance for each step of successful collaboration with your DSMB chair.

➔ **Did You Know?** The NCATS Trial Innovation Network (TIN) seeks to address roadblocks in clinical trials and to accelerate the translation of novel interventions into life-saving therapies. PIs can benefit from TIN's single IRB, online trial resources, unique study design expertise, recruitment consultations, community engagement studios and much more.

[Learn more about the TIN](#) and connect with the [CCTS's TIN Liaison Team](#) to access these benefits.

Reminder! Don't Miss the [CCTS Quarterly Lunch & Learn!](#)

Tuesday, April 12th from 11:30am-1pm.
