TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

Avoid the headache! Clinical trials reporting made easier: The NIH All About Grants Podcast recently featured Deysi Duque, a Senior Clinical Trials Analyst within the NIH Office of Extramural Research, in a discussion on the [clinical trials dissemination policy](#), its purpose, resources, and more.

Check this episode out on [iTunes](#) and [Spotify](#).

New! CCTS First Fridays: Get to know how the Center for Clinical & Translational Science can help elevate and support your research, every first Friday of each month. Drop by the CCTS office in the Shelby Biomedical Research Building (Suite 120), anytime between 8:00 -9:30 am to enjoy coffee, donuts, and all things CCTS. A member of the CCTS team will greet you.

[Contact the CCTS with any questions.](#)

Designing that next trial? Ready to analyze data? Connect with the experts: Now is a great time to schedule a BERD consultation with an expert biostatistician, epidemiologist, or methodologist. Use this form to connect to the appropriate expert with minimal wait time.

[Learn more about the CCTS BERD.](#)

Thank you for reading!
