# TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

---

**Work Smarter, Not Harder!** Take advantage of updated materials available on the Clinical Trials Kiosk, including new regulatory coordinator, data coordinator and study coordinator toolkits!

[Check it out.](#)

**Be in the Know: Clinical & Translational Science Training Program is now accepting applications:** CTSTP is a 6-month certificate program (EPI680 credit optional) that provides foundational training in clinical and translational research presented by experts in clinical trials, epidemiology, biostatistics, ethics, outcomes, D&I Science, AI, and more.

[Learn more.](#)

**Be Sure your Research Matters: Register for the 2023 Community Engagement Institute Symposium:** *Toward Building Health Literacy in Communities*, explore how communities can work together to share resources, raise awareness and promote insights that lead to better health outcomes. Join us Tuesday, October 31, 2023 from 8am-3pm at the Hilton Birmingham Downtown.
