# TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

---

-  **Discover New Insights with NCATS Translator** | Join our next [Data2Discovery Gateway \(D2DG\)](#) event, where Dr. Andrew Crouse from the Hugh Kaul Precision Medicine Institute will demonstrate NCATS Translator—a tool that uncovers associations between drugs, genes, and diseases. Learn how this platform integrates trusted data sources to reveal novel biomedical insights. **Oct. 31, 9-10 AM via Zoom.** [More info](#), [register now](#).
-  **ClinicalTrials.gov: Navigating the New Modernized Site** | Did you miss our recent Research Seminar Series (RSS) presentation on the modernized ClinicalTrials.gov, or want to revisit the content? The recording is now available on the [CCTS Video Channel!](#) For additional tutorial videos and step-by-step guides, visit the [CCTS ClinicalTrials.gov support website](#) and contact [CCTSClinicalTrials.govHELP@uabmc.edu](mailto:CCTSClinicalTrials.govHELP@uabmc.edu) with any questions.
-  **Did you know?** | The CCTS provides access to clinical research facilities and expertise for clinical and translational research involving human participants to ensure good clinical practice. [Learn more](#).
