TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

Mark your calendar for CCTS Lunch and Learn! | Don't miss the next CCTS Quarterly Lunch & Learn on **Dec. 10th from 11:30am-1pm via Zoom**. Make sure someone from your team tunes in so that you are aware of the latest, most critical clinical research updates. [Register now](#).

Streamline Study Feasibility: Tap into i2b2 | i2b2 is a self-service data query tool that allows researchers to search the UAB EMR for patient numbers, aiding in assessing study feasibility, participant recruitment, and hypothesis exploration, with robust data from over 1 million patients and dedicated expert support. [Learn more](#).

Team Science Program Now Accepting Phase 1 Applications | The Team Science Program (TSP) is now open, offering Phase 1 funding of up to \$5,000 to support planning and external advising for multi-project grant proposals. Researchers are invited to apply and bring their teams together to develop innovative, collaborative proposals. **Applications are open through November 22, 2024.** [Learn more and apply here](#).
