

TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

LATEST UPDATES

➔ **CITP on the Go:** This podcast is a convenient way to participate in the CCTS Clinical Investigator Training Program, an abbreviated training curriculum for clinical investigators. The program promotes Good Clinical Practice (GCP) and educates on the research capacities and expertise available to support clinical trials. [Listen here.](#)

If there are topics you'd like the podcast to cover, please send suggestions to ccts@uab.edu.

➔ **Study Support During the Critical Design Phase:** The CCTS BERD collaborates with investigators, from student to established faculty, pairing expertise with study-specific needs and providing state-of-the-art study design.

Ensure a successful study launch— [contact the BERD](#) today to schedule a consultation.

➔ **Did You Know?** Recruitment and retention plan consultations launch January 3rd, 2022. Enhance accrual with this new and exciting offering.

[Reach out to the CCTS](#) to learn more.
