TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

 **Today! Tricks of the trade to access and use EHR data:** Discover how researchers within the CCTS Partner Network access electronic health record data to drive discovery. ***i2b2 and DataLENS, Wednesday, Dec. 20, 2 PM via Zoom. [Register now.](#)***

 **PowerTrials has a new process!** New enhancements to the medication phase in PowerTrials PowerPlans will now **prohibit** the research prescription from transmitting to the IDS team **before physician signature**. This will result in a reduction of IDS workload, improve efficiency, and safety in medication distribution. There is no change to the study coordinator research prescription ordering workflow. [Learn more about PowerTrials.](#)

 **Think you're ready to submit that grant?** Before you submit your grant proposal for review, check if you need a Plan for Enhancing Diverse Perspectives (PEDP). [Learn more about the PEDP and what it entails.](#)

Thank you for reading!
