Essential Information for Principal Investigators at UAB

LATEST UPDATES

➔ **Operating costs** (both fixed and variable) of clinical trials should be clear for study teams. If not already formulated, a Department-specific Fee Sheet should be developed and utilized as a guide in the preparation and negotiation of budgets. A helpful tool to assist in its creation can be found on the [CTAO website](#) (Blazer ID required). For questions, contact [Mark Marchant](#) at (205) 934-2098.

➔ **The CCTS Video Channel** provides extensive video content for research teams, from [i2b2 virtual training](#) for cohort feasibility assessments and an overview of [human subjects protections](#) training to instructional pieces like "[How to Register a Protocol with Clinicaltrials.gov](#)".

Search the varied video offerings [here](#).

➔ **Did You Know?** The Clinical Investigator Training Program (CITP) just wrapped, but there is another training opportunity on the horizon! [CCTS Research Training Program \(RTP\)](#) is a six-week, in-depth academic training on the principles required to excel in today's dynamic clinical research environment. It launches April 13th.
