

TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

LATEST UPDATES

Cohort Feasibility & Recruitment Strategy: Investigators can directly access i2b2 at their convenience to assess clinical cohort feasibility preparatory to research. Then, teams can connect with CCTS Informatics for assistance with defining a patient base for recruitment (IRB approval required).

[Start here.](#)

CCTS Capacities: The CCTS can accommodate extended stay for healthy volunteers. Additional rooms for sleep and circadian studies are under construction and will be available in the next few months.

Contact the [CCTS](#) to learn more.

The COVID-19 Recruitment and Retention Toolkit provides practical information on how the Trial Innovation Network (TIN) Recruitment Innovation Center integrates community feedback into the operations of recruitment and retention planning for COVID-19 research. This open forum webinar will occur on March 18th from 1-2pm. Registration is not required. Here is how to access the webinar:

- Visit [this link](#).
- Enter your name and email address.
- Enter the session password: ofs1234.
- Click "Join Now".

Thank you for reading,

[UAB Clinical Trials Administration Committee \(CTAC\)](#)
