

# TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

## LATEST UPDATES

➔ **Effort Reporting:** All investigators are expected to have an appropriate level of effort reflected on their respective reports for all industry-funded clinical trials which they conduct. These may be represented individually on Grant Accounts (GA) or collectively on General Ledger Accounts (GL) depending on the circumstance.

- Details on specific policies and procedures can be found [here](#).

➔ **The CCTS Clinical Investigator Training Program (CITP)** is accepting applications until January 22nd. If you have already submitted your application, don't forget to also provide the supplemental materials.

- [Learn more](#) and begin your application [here](#).

➔ **Did You Know?** The CCTS Clinical and Translational Science Training Program (CTSTP) kicked off this month. CTSTP is a six-month certificate program that provides training in clinical and translational research, including approximately 50 hours of didactic instruction.

- [Meet the 2021 CTSTP cohort](#) and [learn more](#) about participating in this program during the next round of instruction.

*Thank you for reading,*
