

The UAB Heersink School of Medicine and the UAB Hospital Graduate Medical Education Office, in collaboration with the UAB Office of Diversity and Inclusion, are providing support for fourth-year medical students to participate in a variety of four-week rotations at our academic medical center.

Participating Residency Programs

- Anesthesiology
- Diagnostic Radiology & Interventional Radiology
- Emergency Medicine
- General Surgery
- Neurosurgery
- Obstetrics & Gynecology
- Otolaryngology
- Pediatrics
- Physical Medicine & Rehabilitation
- Plastic Surgery
- Psychiatry
- Urology

Eligibility

- Fourth-year medical student in good standing at an accredited U.S. allopathic or osteopathic medical school

Questions

Please contact the GME office at diversitygme@uabmc.edu.

- Students must self-identify as under-represented in medicine (URiM)*
- Students must have completed all core clerkships
- Students must have successfully passed USMLE Step 1

Scholars Receive

- \$1,000 stipend toward travel, food and housing
- Networking opportunities with faculty, residents and students interested in your success

How to Apply

Please send the following to Justin Evans, GME Diversity and Inclusion Program Manager, at diversitygme@uabmc.edu:

- Personal statement (500 words max)
- CV
- Application form (below)
- Standard application through VSAS required

Applications must be received by May 29, 2022. The number of students selected for visiting rotations in a clinical specialty will be strictly determined by each department.

Participation in a visiting student rotation does not guarantee an invitation for residency program interview. Invitations to interview are provided at the discretion of the individual program.

* The AAMC defines URiM as "those racial and ethnic populations that are underrepresented in the medical profession relative to their numbers in the general population."
